PATENTED

CLIPSAV

INVENTEC
PERFORMANCE CHEMICALS

Female part: in PVDF
quick coupling device
Chlorine dedicated

Male part:
Disposable non-return
device
(new for each delivery)
no external pollution

Quick coupling part in
PVDF with 2 new O-rings
seals for each delivery

Chlorine
dedicated
materials

Safety cap with
double sealing
in PVDF

Brass body valve
(Good corrosion
resistance)

Valve with membrane
system to handle easily
without tools

Leak flow limiting device
(ceramic balls)

IN CONFORMITY WITH EUROPEAN STANDARDS
